Sir:

Responsive to the Examiner's Statement of Reasons for Allowance dated March 19, 2004 the Applicant objects to the Examiner's attempt to characterize the invention and summarize the prosecution history. As abundantly clear from the file, there are several reasons for the allowance of twenty different claims, of which three are independent. The scope of each of the claims is limited only by the art, and can only be

ascertained by a complete review of the specification, the prior art and the prosecution history.

Respectfully submitted,

By:
